Our veterans did their duty. Caring for them should be a top priority.

The Veterans Health Care Staffing Improvement Act (S.3417), a bipartisan bill, would improve veterans' care at VA facilities.

Senator Heidi Heitkamp voted six times against billions in funding for veterans programs, including funding for the Veterans Administration, construction of military housing, and funding for critical care for veterans.¹

CAN YOU AFFORD TO PAY THOUSANDS OF DOLLARS MORE FOR MEDICAL CARE?

KEVIN CRAMER THINKS SO.

KEVIN CRAMER voted to allow insurance companies to charge North Dakotans ages 50-64 five times more than younger people, resulting in premiums that are on average thousands of dollars more per year for medical coverage.¹

Paying thousands of dollars more a year for medical coverage could force North Dakotans to have to choose between putting food on the table or going without any medical care at all.

"The AHCA would impose an unfair and unacceptable 'age tax.' It would allow insurance companies to charge people between the ages of 50 and 64 (those too young for Medicare) five times what they can charge younger consumers."

IS HE PAYING MORE FOR HIS HEALTH CARE? HE EXPECTS US TO.

CRAMER'S NOT ON OUR SIDE.

1. AARP, 5/4/17; H.R. 1628, Vote 256, 5/4/17.

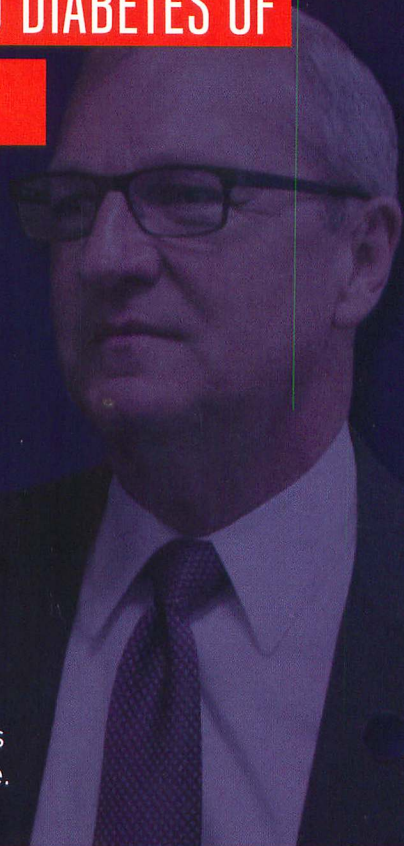

CRAMER ACCUSED PEOPLE WITH PRE-EXISTING CONDITIONS LIKE ASTHMA, HIGH BLOOD PRESSURE, AND DIABETES OF GAMING AND ABUSING THE SYSTEM.

Then Kevin Cramer voted to eliminate protections for more than 300,000 North Dakotans with pre-existing conditions.

When your child suffers from asthma or your wife has high blood pressure that's endangering her health, wanting health insurance so she can see the doctor is not gaming or abusing the system. It's taking care of a loved one.
